Last year there was not a quorum at the annual meeting. We need a quorum to conduct business! If you can not attend the annual meeting, PLEASE complete the Proxy that was provided in the official notification letter and return to Sentry Management ASAP. The HOA Board needs the involvement of every homeowner for our community to function at its best.

Your commitment and involvement matters!

One grand prize for dinner and a movie for two will be awarded at the meeting; additional prizes for dinner and movie tickets.
